YOUR ITINERARY

DAY 1~FRIDAY~ OCTOBER 2

DALLAS/ATLANTA/EN ROUTE

Your journey begins as you board your overnight flight to Johannesburg, via Atlanta. (Meals Aloft)

DAY 2~STAURDAY ~ OCTOBER 3

JOHANNESBURG

Upon arrival at the Johannesburg International Airport this afternoon, you will be met and escorted to your hotel. Johannesburg (or Jo'burg as the locals call it) is the country's largest city and its financial center, sometimes called the "City of Gold," for the abundance of that precious metal once mined here.

Begin your adventure in the lap of luxury. D'Oreale Grande is situated near Johannesburg International Airport and boasts palatial buildings, surrounded by gardens, fountains, and statues. Richly cloaked surroundings such as marble floors, plush carpets, magnificent stained-glass domes, highly decorated murals and frescos, sculptures, intricate mosaics, and Roman columns and arches contribute to an atmosphere of intimacy, classical elegance, and lavish opulence. It's an ideal place for resting up after the long international flight. Overnight at D'OREALE GRANDE. (Meals Aloft) www.doreale.com/

DAYS 3/4/5 ~ SUNDAY/MONDAY/TUESDAY ~ OCTOBER 4/5/6

MAUN/MAKGADIKGADI & NXAI PANS NATIONAL PARKS/KHUMAGA VILLAGE

Fly to Maun, Botswana's tourism capital, where you will connect with your flight to Leroo La Tau, situated at the edge of Makgadikgadi Pans National Park. This park is named for ancient Lake Makgadikgadi, a body of water that disappeared thousands of years ago, leaving behind a collection of salt pans that cover approximately 6,200 square miles, due south of the Okavango. The Makgadikgadi is the largest expanse of 'nothingness' on Earth, devoid of anything but salt and shimmering horizon, with an area the size of Switzerland. The pans are clearly visible from outer-space. The baking soda desert is transformed into one of Africa's most fecund ecosystems during the rainy season. Unbelievable numbers of migratory birds flock to the pans and the grasslands swarm with a living mantle of zebra and wildebeest, participants in the second-largest animal migration on the African continent. The dry season brings desert wildlife such as gemsbok and springbok into view.

Leroo La Tau is built on the cliffs above the Boteti River which allows guests a raised vantage point resulting in spectacular wildlife sightings. The Boteti River, which dried up for 28 years, is now flowing again. This lifeline of water is a magnet for wildlife. During the wet season (January-March), there is an influx of migratory bird species, while resident desert species welcome visitors by showing off their breeding plumages. While the volume of game is lighter than the drier months, the river's return has transformed the region and supports a good volume of wildlife all year round, with sightings of all the common antelopes, alongside healthy populations of kudu as well as giraffe. Huge elephant bulls are based along the river throughout the year, and lion are very active in the region.

Depending on the rains of the season, the zebra begin the migration back to the river around April, search of water. As the dry season draws in, so too do the zebra and wildebeest – some 30,000 strong – resulting in magical scenes of thousands of zebras galloping up and down the dusty river banks of the Boteti for quite possibly one of the best zebra-viewing experiences in Africa! The migration brings an increase in levels of predator activity, including lion, cheetah, brown and spotted hyena, and even wild dog. Most unique are the crocodile and an amazing pod of hippo, which have survived in extremely adverse conditions for many years, and now make this area their home. Bird species include large numbers of White-backed and Lappet-faced Vultures, Bateleur, Tawny and Martial Eagles, Lanner and Red-footed Falcons, Gabar, and Pale Chanting Goshawks. Also found are Red-billed and Orange River Francolin, Black and Red-crested Korhaan, Kori Bustard, Crowned Plover, Double-banded Courser, Spotted Dikkop, all species of sandgrouse, Giant Eagle, Pearl-spotted Owls, and a large numbers of hornbill species.

On your second day, enjoy a full day excursion to Nxai Pans National Park. Here one can witness the typical Kalahari Plains wildlife characteristic of the desert regions. Large herds of springbok, oryx (gemsbok), and eland graze here all year round and during the summer season (green season) zebra and wildebeest can be seen en masse during the migration.

Rhino populations are steadily growing in Botswana and there's a huge relocation of rhino into the country from neighboring South Africa. Desert & Delta Safaris is proactively involved in Botswana's Rhino Relocation

and Reintroduction Project with the Department of Wildlife in Botswana, which has seen the rhino population establish itself in Makgadikgadi Pans National Park for the first time in over 200 years. Rhinos are well protected and quite shy but there's always the chance you might see them on your game runs. A portion of revenue from each of the guests that stay at Leroo La Tau goes directly towards the Rhino Relocation and Reintroduction Project and facilitates the costly process of fitting tracking devices and monitoring health and breeding of this highly endangered species.

Leroo La Tau works closely with the community of Khumaga Village, which is

located near the lodge, providing an opportunity for guests to see and understand what rural local life is all about. A visit to the village and the local school will be included in your stay at Leroo La Tau. Activities during your three-night include game drives, night drives, and boat cruises on the Boteti River.

DAYS 6/7 ~ WEDNESDAY/THURSDAY ~ OCTOBER 7/8

OKAVANGO DELTA/CAMP MOREMI

Fly to Camp Moremi, situated in the eastern extremity of the Okavango Delta, within the Moremi Game Reserve. Shaded from the African sun by a forest of ancient ebony trees, Camp Moremi is an elegant thatch and timber lodge consisting of an elevated main lounge, wildlife reference library, dining room and cocktail bar. Accommodation is in 12 East African styled en-suite tents. Each is exquisitely furnished with a Rhodesian teak wardrobe, luggage rack, dressing table, bedside pedestals and traditional director's chairs, colorful woven rugs, designer linen, and matching interior blinds.

You'll be thrilled by the excitement of tracking animals in open 4X4 vehicles, conducted by experienced naturalists in the Kalahari, ancient mopane forest, open grassland, seasonal floodplains, and riverine habitats that have created one of the most magnificent animal sanctuaries in Africa. Moremi Game Reserve supports the most diverse habitat and animal populations in Botswana, with possible sightings of wild dog, cheetah, and leopard being highlights. Resident species include lion, elephant, buffalo, hippo, giraffe, hyena, zebra, kudu, lechwe, tsessebe, and Sable and Roan antelope. The rare Sitatunga antelope lives in the papyrus banks of the waterways. Bird watching is excellent throughout the year, with powerboat visits to the heronries on Gadikwe. The reserve is home to over 400 species of birds and a vast variety of mammal, insect, plant, fish, and reptile species have successfully adapted to the swamp conditions. Moremi Game Reserve is a wilderness paradise, with great game viewing throughout the year.

DAYS 8/9 ~ FRIDAY/SATURDAY ~ OCTOBER 9/10

OKAVANGO DELTA/CAMP OKAVANGO

Today's flight takes you to one of the world's most distinctive regions, the Okavango Delta – Earth's largest inland water system. Its headwaters start in Angola's western highlands, with numerous tributaries joining to form the Cubango River, which then flows through Namibia (called the Kavango) and finally enters Botswana, where it is then called the Okavango. Millions of years ago, the Okavango River flowed into a large inland lake called Lake Makgadikgadi (now Makgadikgadi Pans). Tectonic activity and faulting interrupted the flow of the river causing it to backup and form what is now the Okavango Delta. This has created a unique system of water ways that now supports a vast array of animal and plant life that would have otherwise been a dry Kalahari savannah.

Your activities at Camp Okavango will center around *mokoro* (dugout canoe) rides, boat excursions, and walking safaris. See the delta from water level and relax as you glide through quiet, reed-lined channels. Birding is excellent, with Pels Fishing Owl and Wattled Crane being observed with regularity. In all, more than 600 species reside within the 7,000 square miles of islands, marshes, flood plains, and channels of which the Okavango is comprised. Feel the beat of Africa beneath your feet on a walking safari, and take a boat through the reeds to spot some of the larger species such as elephant, red lechwe, zebra, wildebeest, giraffe, baboon, monkey, warthog, and buffalo, along with major predators such as lion, leopard, and hyena. If you are lucky, spot the elusive sitatunga antelope which have been known to sleep in the water, with only their nostrils resting above the water's surface.

Camp Okavango is situated on remote Nxaragha Island in the very heartland of the Okavango Delta and is essentially a water wilderness experience. The camp comprises of 12 two-bedded East African style tents featuring private sundecks and en-suite hot shower and waterborne toilets. Each tent is exquisitely furnished with

a Rhodesian Teak wardrobe, luggage rack, dressing table, bedside pedestals and traditional director chairs, colorful woven rugs and other amenities aimed at your complete comfort. Camp Okavango's luxury blends with the Africa of yore in the elegant thatch and lethaka main lodge buildings. Meals are silver service at dining tables romantically lit by candelabra. The dining-room leads onto an expansive open-air patio for evenings around a blazing camp fire. Other lodge facilities include a cocktail bar, lounge, wildlife reference library, a secluded bird-viewing hide, shaded hammocks, reading benches and a delightful sun-deck and plunge pool for relaxation during the hot midday hours. Overnights at the CAMP OKAVANGO. (All Meals Daily) www.desertdelta.com/botswana-safari-lodges

OPTIONAL POST-EXTENSION TO CHOBE NATIONAL PARK, BOTSWANA & VICTORIA FALLS, ZIMBABWE

DAYS 10/11 ~ SUNDAY/MONDAY ~ OCTOBER 11/12

CAMP OKAVANGO/KASANE/CHOBE GAME LODGE

Bid farewell to the rest of the group returning home tonight, and connect with your flight to Kasane. Upon arrival you will be met and transferred to Chobe National Park, where you will spend the next two days on wildlife viewing and boat activities. Chobe is world renowned for its wildlife. It is the second largest park in Botswana, and the first declared national park. Your destination will be the Chobe River front, and your accommodation will be close to the town of Kasane, the heart of a road network which gives access to Zambia, Zimbabwe and to the Caprivi Strip of Namibia. The park covers a wide variety of country; riverine forest, floodplain, periodic marsh, mopane and miombo woodland, and a few rocky outcrops. Such a diversity of habitats implies a wide variety of wildlife, which ranges from water animals such as hippo, crocodile, otter, and fish, to forest and dry land species such as elephant, buffalo, giraffe, zebra, and eland. In all areas, predators abound – lion, leopard, cheetah, and hyena are plentiful. In the open grasslands of the pans, one can find the rare oribi and occasional reedbuck. Puku, an antelope associated with this park, can often be seen in herds around the edge of the river. The Chobe River is also well known for its magnificent bird viewing, with over 400 different species, ranging from eagles to kingfishers and from Marabou Storks to bee-eaters. Occasionally, Carmine Bee-eaters build colonies in the sand banks of the floodplains where they nest in their thousands. There are over 90 species of fish in the local waters, and if you're so inclined, an activity you might wish to partake is fishing.

A major feature of Chobe National Park is its overabundance of elephant, often seen at the river front, bathing in the water. Vast numbers of elephant come down to drink in the late afternoons and it is possible to see hundreds of these magnificent animals in a two-hour wildlife drive. The Chobe elephant comprise part of what is probably the largest surviving continuous elephant population, covering most of northern Botswana and northwestern Zimbabwe. Botswana's elephant population is currently estimated at around 120,000, which has built up steadily from a few thousand in the early 1900s. These elephants are migratory, making seasonal movements of up to 124 miles from the Chobe and Linyanti Rivers, where they concentrate in the dry season, to the pans in the southeast of the park, to which they disperse in the rains. The elephants in this area have the distinction of being the largest in body size of all living elephants, though the ivory is brittle and you will not see many huge tuskers among these gentle giants.

You will stay at the legendary Chobe Game Lodge, the only lodge located within the reserve, which served as the honeymoon spot for Elizabeth Taylor and Richard Burton's second marriage. The lodge is beautiful with yellow-gold stucco décor, open and colonial in style. The rooms have electricity, air conditioning, minibar, and balconies. Relax in the luxury of your bedrooms affording breathtaking views of the Chobe River, or cool down in the landscaped swimming pool. Overnights at the CHOBE GAME LODGE (All Meals Daily) www.chobegamelodge.com

DAYS 12/13 ~ TUESDAY/WEDNESDAY ~ OCTOBER 13/14

VICTORIA FALLS, ZIMBABWE

Head to Victoria Falls, Zimbabwe, and the mighty Victoria Falls. At more than twice the size of Niagara Falls, it's no surprise that Victoria Falls are among the Seven Wonders of the World. Mosi-oa-Tunya (*The Smoke that Thunders*), derived from the towering column of spray when the Zambezi River runs high, is the name that Zimbabwe's local people have given to this awesome natural phenomenon. Five separate falls make up this incredible spectacle that plunges more than 300 feet into a sheer-sided chasm which separates Zimbabwe from Zambia. The awe-inspiring abyss is spanned by a 1905 Edwardian bridge which links the two countries and many adventurers now use to bungee jump. The masses of water plunging down the falls and into the gorge below originate from the mighty Zambezi River that meanders through more than 1,677 miles of African countryside.

Your visit will include a tour of the falls on the Zimbabwe side. An afternoon sundowner cruise will be a highlight as you glide along the Zambezi River, watching hippos snort, elephants drink on the riverbank, monkeys jump from branch to branch, birds fly overhead, and much more. Enjoy your drink of choice, and see a panoramic sunset as the sun dips below the horizon, painting the whole area in unbelievable colors of brilliant reds, yellows, purples and mauves.

The Elephant Camp is a luxury and intimate lodge under canvas built in a private concession bounded by the Masuwe River, and the Zambezi Gorges, some 6 miles from the town of Victoria Falls. Elephant Camp enjoys the breathtaking view of the gorges which separate Zimbabwe and Zambia. The camp offers exclusive suite accommodation in 12 luxury tents. All suites are gorge facing and have private viewing deck and plunge pool, private lounge area, air-conditioning and fans, bath, inside and outside shower, mini bar and tea/coffee stations, 220V main electricity. All suites are mosquito proofed with mosquito nets. Elephant Camp is home to four orphaned elephants and all guests staying at the camp will have an opportunity to meet and interact with the Wild Horizons elephants. Overnights at the ELEPHANT CAMP. DAY 14 ~ THURSDAY ~ OCTOBER 15

VICTORIA FALLS/JOHANNESBURG/EN ROUTE

Last chance to photograph the incredible falls before transferring to the airport for your flight to Johannesburg where you connect with your overnight flight to the USA. (B, Meals Aloft)

DAY 15 ~ FRIDAY ~ OCTOBER 16

ATLANTA/DALLAS

This morning you land back home, bringing with you the memories of all the wonderful sights of Southern Africa. (Meals Aloft)

OPTIONAL PRE-EXTENSION TO CAPE TOWN, SOUTH AFRICA

DAY 1 ~ MONDAY ~ SEPTEMBER 28

DALLAS/ATLANTA/EN ROUTE

Your journey begins as you board your overnight flight to Cape Town via Atlanta. (Meals Aloft)

DAY 2 ~ TUESDAY ~ SEPTEMBER 29

JOHANNESBURG/CAPE TOWN

Upon arrival at the Johannesburg International Airport you will connect with your flight to Cape Town, South Africa's "Mother City". Upon arrival, you will be met and escorted to your hotel. The provincial capital, Cape Town, is a sophisticated city with plenty to see and do, particularly around the Victoria and Alfred Waterfront area, where delightful buildings of the Cape Dutch and Victorian-era architecture have been restored as shops, restaurants, museums, and pubs, while the busy water traffic of the docks goes on unabated.

The perfect blend of heritage and modern luxury epitomizes the Taj Cape Town. Located in the city center, the hotel is steps from the popular area of St George's Mall, which is a vibrant pedestrian precinct with wonderful pavement cafés and bars. You'll be amidst many significant historic buildings, which include the St. George's Cathedral, the House of Parliament, the Castle of Good Hope, the Company's Gardens, and many of Cape Town's national museums. All rooms are beautifully decorated and complete with every exclusive amenity. The Taj Cape Town has two spectacular restaurants - Mint and The Bombay Brasserie - and an unforgettable seafood, champagne, and oyster bar known as The Twankey. The Jiva Grand Spa combines the

wisdom and heritage of the respected Asian and Indian philosophies, surrounding wellness and wellbeing, to create an unrivaled treatment experience. The hotel prides itself on providing unobtrusive and efficient service from a staff that genuinely delights in making guests feel at home.

Overnight at THE TAJ CAPE TOWN HOTEL. (Meals Aloft) <https://taj.tajhotels.com/en-in/taj-cape-town>

DAY 3 ~ WEDNESDAY ~ SEPTEMBER 30

CAPE TOWN/CAPE PENINSULA

Your luxury motor coach takes you on a breathtaking coastal drive to the Cape of Good Hope, surrounded by spectacular mountains, rugged shorelines, and the blue sea below. See Devil's Peak, Lion's Head, Table Mountain, and the Twelve

Apostles. Pass quaint seaside towns as you continue to Cape Point, where the stormy waters of the Atlantic meet up with the calm waters of the Indian Ocean. At Cape Point, climb the steps or ride a funicular to the top where you can explore a lighthouse, enjoy the views, or even indulge in a bit of shopping. Take a close look at the ocean, where you may see southern right whales in the spring and early summer as well as dolphins and a variety of seabirds. You will also have the chance to explore the Cape Point Nature Reserve, which is host to approximately half of the 2,700 species of indigenous plants contained in the Cape Peninsula. Look for the distinctive orange found in leucospermums, one of the rarest

types of proteas – the mimites, marvel at the helicrysums and pelarganium calcullums, and enjoy the ericas, phenacommas, and fine bush which the Dutch called “fynbos.” There are 250 species of birds in the reserve, ranging from ostriches to minuscule sunbirds. Caracal, chacma baboon, a wide variety of buck and various other mammal species may be seen, including Cape Mountain zebra and the bontebok which is endemic to this part of the world. The baboons feed occasionally on marine foods which they garner at low tide. At Olifants Bay, look for Oystercatchers, and enjoy some superb birding.

Enjoy lunch at a local restaurant, and continue to Boulders Beach where the African (Jackass) Penguins can be seen – also known as the Black-footed Penguins. These flightless seabirds are found only on the coast of Southern Africa and the only penguins found on this continent. Enjoy a delightful walk on a specially-built platform onto the little sheltered beach where they nest among the rocks, and "waddle" up and down into and out of the sea. Since the penguins are accustomed to human presence you can safely get within a few feet of them as you stand on the platform, and it is sometimes possible to view them nesting behind rocks and bushes.

Return to Cape Town in the evening, where you have another chance to discover one of the numerous restaurants that Cape Town has to offer. Overnight at THE TAJ CAPE TOWN HOTEL. (B,L)

DAY 4 ~ THURSDAY ~ OCTOBER 1

CAPE TOWN: CAPE MALAY/TOWNSHIP TOUR

Your first stop for the day is Cape Malay Quarter, or 'Bo-Kaap,' which sprawls along the slopes of Signal Hill, bordering Cape Town, presenting a scenario of enduring historic and cultural significance. It's certainly worth taking the time to explore the area when you come to Cape Town. Bo-Kaap's attractive, brightly colored, flat-roofed houses, decorative mosques and the sound of the muezzin calling over the city streets have remained relatively undisturbed for all this time. The major threat facing this attractive area is now not forced removals, but gentrification.

Here, you will have a hands-on, practical lesson on how to cook like a real Cape Malay 'Auntie!' Learn how to fold samoosa's and mix masala for that perfect pot of Cape Malay curry!

A local woman will host you at her home, where you will not only learn secret cooking techniques, but also get an insight into daily life in the Bo-Kaap. The workshop ends with lunch where you can share your experiences with the group whilst indulging in a mouth-watering traditional meal.

Your day ends with a tour of District Six at Cape Flats with a township guide, and Langa, the oldest formal black township in Cape Town. Witness the living accommodations created at the height of the apartheid era as a dormitory area for the working class. Today residents continue to face challenges of HIV/AIDS and poverty in post-apartheid South Africa.

Your tour will include a visit to the District Six Museum. District Six was named the Sixth Municipal District of Cape Town in 1867. By the beginning of the 20th century, however, the process of removals and marginalization had begun. The first to be forced out were black South Africans who were displaced from the District in 1901. As the more prosperous moved away to the suburbs, the area became a neglected ward of the city. On February 11, 1966 it was declared a white area, and by 1982, more than 60,000 people were forcibly removed to barren outlying areas aptly known as the Cape Flats, and their houses in District Six were flattened by bulldozers. The District Six Museum, established in December 1994, tells their story.

Overnight at THE TAJ CAPE TOWN HOTEL. (B,L)

DAY 5 ~ FRIDAY ~ OCTOBER 2

CAPE TOWN: TABLE MOUNTAIN/WINELANDS

Get a feel of what Cape Town is all about by taking the cable car to the top of Table Mountain, the signature of this city. This tour is dependent on the wind factor, as well as the clouds. Clouds often cover this flat-topped mountain, which rises to 3,563 feet above sea level and the locals affectionately say it's a white tablecloth. Legend has it that a retired pirate, on climbing the mountain, met up with the devil. In order to preserve his soul, the pirate challenged the devil in a smoking contest. So, they stoked up their pipes and have been smoking ever since. For centuries Table Mountain has been a guiding beacon to mariners rounding the Cape of Southern Africa. Sir Francis Drake described it as "the most-stately thing and the fairest cape we saw in the whole circumference of the earth." Despite its formidable appearance, it is possible to hike up Table Mountain. The first recorded ascent was in 1503 by the Portuguese navigator Antonio da Saldanha who, confused by the Cape Peninsula geography, climbed to the summit via the frontal cleft, now known as Platteklip Gorge. For nature lovers, the birding is awesome, and the wild flowers include agapanthus, watsonias, and red nerines which poke out from rock crevices amid a scrub of ericas and gnarled proteas. More than 1400 species of flowering plants have been recorded on the mountain, which makes it a spectacular sight in the spring. Cute guinea pig-like creatures known as rock dassies, or hyraxes, (genetically, the closest living relatives to elephants) scuttle everywhere. They are not afraid and scamper among the tourists seeking to be fed.

Continue to the wine lands region, situated below the spectacular Boland Mountains and only 50 minutes from the city. Discover the internationally acclaimed vineyards of Stellenbosch, Paarl, and Franschhoek on the Western Cape, along a most scenic route. You will visit the historic estate of Boschendal, which has some of the most brilliantly preserved Cape Dutch buildings in the Cape, and a collection of priceless period furniture. You will also visit Franschhoek with its lovely antique shops and gardens, nestled in the "Valley of the Huguenots," where the French first settled in 1688. All of the wine estates you will be visiting in the region offer tastings and cellar tours, and you will enjoy lunch in one of them. This afternoon, explore the university town of Stellenbosch, the oldest town in South Africa after Cape Town, undoubtedly the most scenic and historically-preserved town in Southern Africa. Oak-lined streets next to water furrows compliment the many fine examples of elegant Cape Dutch, Victorian and Georgian architecture - all part of this unique "Town of Oaks." Overnight at THE TAJ CAPE TOWN HOTEL. (B,L)

DAY 6 ~ SATURDAY ~ OCTOBER 3

CAPE TOWN/JOHANNESBURG

This morning is devoted to Kirstenbosch Botanical Gardens, arguably one of the most beautiful gardens in the world. Founded in 1913, Kirstenbosch lies on the eastern slopes of Table Mountain and consists of landscaped gardens of indigenous plants and trees, watered by the Liesbeek River, as well as natural forest that extend up to the lower slopes. Kirstenbosch covers an area of 1,383 acres, 148 of which are cultivated; the remainder is a natural flora reserve. It is a living display featuring 9,000 of the estimated 20,000 species of indigenous South African flora, and close to 50% of the peninsula's floral wealth. In the cultivated area, related plants are grouped together and radiate from the central lawns like the spokes of a wheel. Among the interesting sections here are the Cycad Amphitheatre, which hosts most species of these "living fossils" found in southern Africa; the famed Protea Garden on the higher slopes, with its profuse growth of silver trees (*Leucadendron argenteum*); the JV Mathews Rock Garden (named after the first curator) containing succulents of the genera *Crassula*, *Aloe*, *Lampranthus* and *Euphorbia*; the Erica Garden and the Pelargonium Koppie. Two streams cut through Kirstenbosch, both laced with besembos, red alder, and hard fern. Of historical interest is an avenue of camphor trees and fig trees planted by Cecil Rhodes in 1898, and a small section of wild almond (*Brabejum stellatifolium*) hedge planted by Dutch settler Jan van Riebeeck in 1660. Birds of all sorts can be seen here as well – Dusky and Paradise Flycatchers, sunbirds, Klaas's cuckoos, bulbuls, pigeons, brilliant green and red Cape Sugarbirds (which pollinate the flowers), guinea fowls, and the Cape Batis.

Later today, transfer to the airport for your flight to Johannesburg to meet up with the group arriving from the US this evening. (B)

CONDITIONS OF TRAVEL:

REGISTRATION

HOW TO BOOK: Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to: CLASSIC ESCAPES, 58-25 Queens Blvd., Woodside, NY 11377. Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us.

PAYMENTS

DEPOSIT: A deposit of \$1,500 per person for the main trip and \$750 for each extension must be submitted at the time of booking. Deposits may be paid by check or charged to American Express, MasterCard, Visa or Discover.

FINAL PAYMENT: Final payment is due 95 days before departure (June 29, 2020) – you will receive a final invoice. Final payment is payable by check or money order ONLY.

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates and other factors and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

NOT INCLUDED: Cost of passport and visa fees, and service charges for obtaining visa fees; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy; cost for anything not specifically included in listing above.

SINGLE SUPPLEMENT: The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed but will be provided at additional cost if available (see reservation form for cost.) The single room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

GRATUITIES AND TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included. U.S. and foreign airport taxes are included in air costs. Tips to drivers and naturalist are NOT included.

CANCELLATIONS, DEVIATIONS & CHANGES

TRAVEL INSURANCE: We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

CANCELLATIONS: Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this tour:

- Up to June 29, 2020, \$300 handling fee, plus \$500 non-refundable deposits given to overseas suppliers.
- June 30 to July 9, 2020, deposit is forfeited.
- July 10 to July 19, 2020, less 75% of tour cost on both the main trip and the extension.
- After July 19, 2020, no refund is possible.

These cancellation fees are also in addition to any fees imposed by airlines.

CHANGE FEES: Once you reserve your tour, changes are possible at a cost of \$150 per person subject to availability of air or land space at the time of request. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

SPECIAL ARRANGEMENTS: We would be happy to make additional travel plans for you, including specially arranged pre- or post-tour extensions different than those that may be offered in conjunction with this tour. A service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORT & VISAS: The onus is upon the guest to ensure that passports and visas are valid for the countries visited and for the applicable time period, as outlined by the U.S. Department of State (travel.state.gov) or by the passport holder's country. Classic Escapes, their staff and their agents cannot be held liable for any visas, etc. not held by the guests, nor for the cost of obtaining visas.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send a pre-departure packet to you. This packet contains all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, insurance information, etc.

FINAL DOCUMENTS: Final documents and tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Roundtrip, economy-class flights via DELTA AIR LINES and/or other IATAN carriers are between DALLAS, and the destination city noted in the itinerary. Rates are based on special promotional fares; cancellation fees apply once tickets are issued. Departures from other cities in the USA are possible at additional cost; inquire at the time of reservation. Please note that these promotional fares are subject to 10 passengers traveling together on the same airline routing and itinerary. If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

AIRLINE SEATING: For DELTA AIR LINES, we request seats together for the group. All planes are non-smoking. We can request a seating preference on your behalf, however requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Classic Escapes cannot provide the **Comfort Seating Service** as this is available on specific flights subject to availability and commercial laws as determined by each airline and at their own discretion. Boarding passes will only be issued at the airport on the day of departure. You may inquire about seat changes during check in, based on availability and is at the sole discretion of airport staff.

FREQUENT FLYER MILEAGE: Your program is based on travelling via DELTA AIR LINES. For a list of the airline's partners, visit <https://www.skyteam.com/en/about/>. Become a member of the mileage program for any of these airlines and present your frequent flyer card at all flight check-ins to obtain credit for your flights. Remember to keep the boarding passes until you receive a statement with the mileage credit.

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights. If travelers make their own air arrangements, they will be subject to extra transfer fees.

TRIP DETAILS

ACCOMMODATIONS: You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private bathroom facilities and air conditioning and/or fans. All rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions may be substituted for a different property of comparable quality.

MEALS: All meals as specified in the itinerary. Please notify us if you have special dietary needs or requests, and we will do our best to accommodate.

INOCULATIONS: When it comes to vaccination and disease prevention, we suggest that travelers first review information provided by the U.S. Centers for Disease Control and Prevention (www.cdc.gov/travel) and then review those details with their personal physicians.

WATER: It is always advisable to drink bottled and/or filtered water when traveling overseas. Safe drinking water will be provided to travelers free of charge in the vehicles and during meals.

BAGGAGE: On average, international flights from the USA allow one piece of checked luggage, not exceeding 50 pounds, plus a carry-on piece not exceeding 15 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. Despite this international weight allowance, we always suggest guests travel light as the weight allowance on the small planes in Botswana is 44 pounds, including hand luggage and camera equipment. Further, only soft-sided duffel bags are accepted, **without wheels**, as they stow best in vehicles and airplanes with limited space.

LUGGAGE ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with a maximum luggage allowance; this is closely monitored by the flight operators for safety reasons. You are allowed one carry-on and one piece of luggage, total weight. **44.092 Lbs.** (20 kg's) per person including the camera equipment.

PERSONAL WEIGHT ALLOWANCES ON INTERNAL FLIGHTS: Your journey includes internal flights aboard light aircraft which are designed with a maximum body weight and luggage allowance; this is closely monitored by the flight operators for safety reasons. If your personal weight exceeds **85 kilos (187 lbs.)** it may be necessary to purchase an extra seat and your Classic Escapes Operations Manager will contact you should this be necessary.

SAFARI AIR LUGGAGE RESTRICTIONS

It is of vital importance that all guests traveling to Botswana strictly adhere to the luggage limits and regulations as stipulated below.

| | |
|--|---|
| LUGGAGE WEIGHT LIMIT PER PERSON * | 44.092 Lbs. (20 kg's) – total weight inclusive of luggage and hand luggage/camera equipment. |
| LUGGAGE TYPE | Soft sided bags – no hard-shelled bags, wheels or frames allowed. |
| LUGGAGE DIMENSIONS** | 10 inches wide x 12 inches high x 24 inches long. |

Please note:

*This is the total weight including both luggage and hand luggage/camera equipment.

This is a safety requirement due to the sensitive weight and balance checks on the small aircraft and must be strictly adhered to. Travelers who require additional luggage must pre-book and pay for this on confirmation of the reservation. We would like to remind you that complimentary laundry services are available in all camps and lodges.

**Please keep in mind that the baggage compartments on most of the light aircraft are only 25cm (10 inches) high, so the pilots must have the ability to manipulate the bag into the compartment.

**NO WHEELED OR
PULL HANDCASES**

NO HARD BODY CASES

SOFT SIDED BAGS

HANDLING OF INCORRECT LUGGAGE ON ARRIVAL

Guests arriving in Botswana, who have not adhered to the luggage guidelines as per above, will NOT be able to depart on the scheduled charter. They will be given the option to book a private charter at additional costs to be paid directly prior to departure and subject to the availability of aircraft at the time of booking these flights. No refunds on the costs paid for scheduled charters which were missed due to their incorrect luggage and or accommodation not provided due to this delay will be provided. In all cases, additional arrangements for transfers, overnight accommodation in Maun or Kasane and meals are for the guests own account.

ASSISTANCE WITH BAGGAGE PRIOR TO ARRIVAL

Should guests be travelling with the incorrect luggage and require assistance with storage (which we offer at no additional cost) or transportation to their point of departure from Botswana (transportation costs apply), this can be arranged provided this has been bought to our attention prior to their arrival in Botswana, preferably at the time of final booking confirmation.
