

Preparing for Camp at the Dallas Zoo

Camp Day Success Story

Updated Spring 2026

There is a lot of walking at the Zoo. I will make sure I wear comfortable clothing and shoes.

I will spend a lot of time outside. I will make sure we check the weather before going to the Zoo.

I need to make sure and bring a reusable water bottle and a lunch for when I get hungry and thirsty.

Arriving to camp, I pull up to the front of the Zoo in the camp carpool line and wait in my car for a Camp Guide to greet me and check me in.

I will be brought to my group
and meet new friends!

Each day starts with an exciting introduction to the theme and animals we will explore!

I will get to do a craft, activity,
and game every day!

I will explore an area of our Zoo that goes with the theme of the day!

My group will have access to restrooms throughout the Zoo. When my group stops at the bathroom, I will try to go and wash my hands.

If I need to go to the restroom, I can always tell my Camp Guide. We will find the nearest one!

During camp, I get to have a special experience with an animal like feeding the giraffes or birds!

During camp, I will get to do a fun experience like riding the mini-train or carousel!

I get to take time to eat snacks, lunch, and recharge for the rest of the day.

For pick-up, I will return to the front entrance with my group. I will wait there until a Camp Guide comes to bring me to my car.

Every day is a new
adventure. We cannot
wait to see you!
